

SUGGESTED READING

Childproofing Your Dog by Brian Kilcommons

“A must for any dog that will have contact with children, if you don’t have children, get the book now so that the adult dog will know how to act around nieces, nephews, guests’ children or the new baby.”

Help! My Dog Has an Attitude by Gwen Bohnenkamp

“A very helpful, easy to understand book on canine behavior. Will show a great deal of insight to the whys of many dog behaviors and how we might get those undesirable ones under control.”

How to Raise a Puppy You Can Live With by Clarice & Neil Rutherford, Dave H

“A must own for every puppy owner. You will refer back to this book time and time again. Easy reading with fun pictures and diagrams.”

Leader of the Pack by Nancy Baer & Steve Duno

“This is an easy reading, common sense ‘how to’ take control of your relationship with your dog. What a great way to start out with your new puppy.”

The Art of Raising a Puppy by The Monk of New Skete

“The famous monks guide readers through early development and training. A clear and compassionate reference for new dog owners.”

How to Be Your Dog’s Best Friend by The Monks of New Skete

“This book has sound advice on raising your dog to be cooperative and contributing members of your family. Useful for training a puppy or adult dog.”

Good Owners, Great Dogs by Brian Killcommons

“Another great guide of particular goals for you to reach with your dog. It will train you.”
